

## UPDATED: Discounted RWI Phonics training and support packages 2023-24

### A guide for English Hub auditors when funding confirmed partner schools

We continue to offer the below discounts until July 2024.

Development Days play a fundamental part in our support, and are unique to Read Write Inc. They are fully bespoke days, proven to develop your reading team's expertise to get every child reading. There is a significant increase in the number of children with SEND, making these days more important than ever.

Feedback and data show that the more Development Days you book, the greater their impact. This means our standard and renewal packages now include two Development Days.

#### Please note

All costs exclude VAT.

Costs depend on the school's training history and requirements.

Offer reviewed in July 2024.
